Drop off will be at doors 14 and 15. Buses can park in the marching band parking lot after turning right at the stop sign.

Check-In/Student Needs

Directors and students will be escorted to the casing room (LGI). Directors will then check in at the ticket booth in PAC lobby and turn in their originals. A student escort will walk your students to the warm-up room (Theatre Room 1336) about 5 minutes prior. That student will be assigned to your orchestra from arrival to sight-reading. There will be restrooms available if needed. Please have all students dressed and prepared prior to entering the schools.

Important: no student will be permitted to enter the school if they are not in uniform. Their concert uniform is their “ID”.

If you arrive early/stay late, students may:

- 1) wait on the bus.
- 2) watch performances in the PAC.

If your students are in the PAC, a director, chaperone, or staff member **MUST** remain with them at all times. Also, please remind your students of expected behavior in the PAC. They must remain quiet both during and in between performances to give our judges a great environment to hear and adjudicate each orchestra. Students must not sit directly behind or in front of the judges and no one should enter or exit during an orchestra’s performance. **All cell phones must be turned off.** Please make sure your students are respectful of the other performing groups and of the fact that there will be classes in session. Please keep your group together and supervised for

the duration of your stay. No one will be allowed into the auditorium once an orchestra has entered the stage.
