Region 33 UIL Concert & Sight-Reading Contest

We are excited and honored to host this year's Region 33 UIL Concert & Sight-Reading Evaluation at Summer Creek High School on Thursday and Friday, April 3-4! I wanted to send this letter to offer some information that can help you with your planning to help contribute to your student's success. Please email me if you have further questions after reading this letter.

LOCATION

The concert performance will be hosted in the SCHS Performing Arts Center, with sight reading in Room 1332 (main band hall) and warm-up in Room 1324 (carpeted orchestra room). Below are maps of the campus that should help you understand how best to enter/park/unload/load etc.

LOGISTICS

Do not plan to unload students and equipment during the following time frames:

Thursday, April 3 - 8:20-9:00 AM, 2:20-3:15 PM

Friday, April 4 - 6:30-7:00 AM, 2:20-3:15 PM

Bus Unloading and Parking

Be sure to get your bus driver's phone number! Students will unload on the bus ramp located near door 33. Entrance to the building will be through **door 33**. Immediately after unloading, buses may be parallel parked along the driveway adjacent to athletic fields, **not in the parking lot**- see map.

Spectators

Parking on campus is extremely limited. We highly recommend spectators come as chaperones with performing groups. If not traveling with the group, plan to arrive at least 20 minutes early to acquire a parking spot in the parking lot behind the school and travel inside for the performance. Spectators will check in and provide photo identification as they enter through **door 33**.

Equipment Truck Unloading/Loading and Parking

Equipment trucks can be unloaded into the back of the stage through the roll-up door located just North of door 33. Equipment trucks must be parallel parked along the driveway adjacent to athletic fields, **not in the parking lot**- see map. These spaces will be sectioned off and we will have monitors to assist.

Instrument Storage

We have limited space for case storage. Please plan to leave cases on the bus or truck if possible.

STAGE RISERS

Wenger stage risers are available for use if desired. We have 6", 12" and 24" H x 8' W x 4' D. *Please indicate on your setup chart the number and size of risers that you will need so we can ensure we have them available for use.*
